OWNER'S HANDBOOK

Publication Part No. **JJM 10 02 20 621**

Published June 2005 by Technical Communications, **Jaguar Cars Limited**

JAGUAR CARS LIMITED, as manufacturer, is dedicated to the design and production of vehicles which meet the expectations of the world's most discerning purchasers.

This handbook forms part of the owner literature supplied with your vehicle. It is designed to complement the relevant features and systems of the vehicle, and make them easy to understand and operate. For safety and the pleasure you will get from your new vehicle, please take the time to get well acquainted with your vehicle by reading the handbooks.

This handbook describes every option and model variant available and therefore, some of the items covered may not apply to your particular vehicle.

For the specification of a particular vehicle, owners should consult their Jaguar Dealer/Authorised Repairer.

To cover changes, it is sometimes necessary to issue one or more handbook supplements. When reading this handbook, check the owner literature for possible supplements. Any further updates will be posted on the Jaguar Cars internet site and can be accessed at www.jaguar.com in the **Owner Information** area.

For full details of the owner literature originally supplied with the vehicle, owners should consult their Jaguar Dealer/Authorised Repairer.

When left-hand or right-hand is used in the text, this refers to the left-hand side or right-hand side of the vehicle, when viewed from the rear.

The manufacturer reserves the right to vary its specifications with or without notice, and at such times and in such manner as it thinks fit. Major as well as minor changes may be involved in accordance with the Manufacturer's policy of constant product improvement.

All rights reserved. No part of this publication may be reproduced, stored in a retrieval system or transmitted, in any form, electronic, mechanical, photocopying, recording or other means without prior written permission from the Service Division of Jaguar Cars Limited.

This book is printed on paper that originates from sustainable forests, is recyclable, bio-degradable and acid-free. The wood pulp is chlorine-free and the effluent water is purified before being discharged.
