TECHNICAL BULLETIN

Remove/Install the Power Steering Rack – New Workshop Procedure – Revised SRO Time

MODEL 2002 MY-ON
X-TYPE
VIN C00001-ON

Issue:

This Technical Bulletin has been issued for information only, to inform dealers of a change in the workshop procedure to remove/install the power steering rack.

The old workshop procedure involves lowering the entire front subframe to enable removal of the steering rack.

The new method involves only lowering the rear of the front subframe.

Action:

To remove/install the power steering rack according to the new workshop method, see Global Technical Reference GTR Workshop Manual, section 211-02, SRO 57.10.01.

Global Technical Reference (GTR) Workshop Manual Information:
